\$55,000 - Jackson, Deilia A.
(Deputy Associate Director of Correspondence for the First Lady)

That's a Total...\$2,075,200 in annual salaries - all for someone we did not vote for and apparently have no control over..... 5 staff are Muslim and 13 African-American.

There has NEVER been anyone in the White House at any time who has created such an army of staffers whose sole duties are the facilitation of the First Lady's social life.

This does not include:

"Makeup artist"
Ingrid Grimes-Miles, 49,

"First Hairstylist"
Johnny Wright, 31,

Both of whom travelled aboard Air Force One on all ALL Trips, Europe included.

As of 11/15/2015 the Obama Family has spent over \$1,300,000,000.00 (ONE BILLION, THREE HUNDRED MILLION DOLLARS) on personal family trips.

They were personal, not political or Government related.

How things have changed! If you're one of the tens of millions of

Americans facing certain destitution, earning less than subsistence wages stocking the shelves at Wal-Mart or serving up McDonald cheeseburgers, prepare to scream and then come to realize that the benefit package for these servants of "Ms. Michelle" are the same as members of the national security and defence departments and the bill for these assorted lackeys is paid by YOU.

Yes..... The Canadian Free Press had to publish this, perhaps because America no longer has a free press and the USA media is too scared that they might be considered racist.
