Reagan Documentary Eagle One To Wanta update

For Immediate Release 2/22/17

EAGLE ONE TO WANTA. President Reagan is Eagle One and his Secret Agent is Lee Wanta. The 10minute preview of the feature film documentary is available for review at www.eagleonetowanta.com. The documentary is scheduled for release in 2017. The project has been in production for three years. It has been delayed for reasons to be explained in detail in the film. The funding source for the project was billionaire retired military officer, respected Corporate CEO, Beryl Wolk from Pittsburg. Beryl Wolk, mysteriously died after two reported falls having allegedly hit his head twice on two separate occasions. His estate and family has chosen to ignore and not honor the agreement with Ambassador Lee Wanta and Gibby Media Group, Inc. The cause of Beryl Wolk's death remains under investigation. In the meantime threats and damage to the Producer Gibby Media Group, Inc. has occurred. Unlawful efforts to claim ownership and take control of the content from various sources will be identified. The adversity relating to the documentary production will now become an additional part of the film content that will expose who is really behind efforts to stop its release and why. Besides greed, the primary reason for the adversity relating to its delayed release is due to the subject matter which has an impact on every American. Some political factions that are criminal enterprise, globalization based do not want this story told. Others hope to benefit from its release by claiming exclusive ownership to content after they walked out on the Producer and did not fulfil agreements. The historical information released is declassified. Some of the fresh & exclusive information in this film has never been revealed to the public before and may be considered at some point classified if it was fully understood. Ambassador Lee Wanta worked as a secret agent private citizen for President Ronald Reagan under the Totten Doctrine established by Abraham Lincoln. The behind the scenes efforts to end the cold war and bring down the Soviet Union is described for the first time. Few people know how this was accomplished and Ambassador Lee Wanta's critical role. After review the material in the Bio & documentary including back up documents most people will accept that Lee Wanta is a great American hero & patriot. Lee Wanta is the 31.2 Trillion Dollar Man. How he earned this wealth will be detailed in the documentary followed up by how it was stolen from him and who was responsible. It explores his courageous but sad dangerous life as Political prisoner basic human rights taken from him for 23 years. Efforts to assassinate him continue. Learn about the
