

USA HIGH SPEED RAIL SYSTEM

April 1, 2016

For Immediate Release

Ambassador Lee Wanta as a private citizen and Secret Agent under the Totten Doctrine (92 U.S. 105, 107) , was involved with President Reagan in developing a high speed rail plan for the USA. Lee Wanta's company New Republic Rail partnered with the Chinese authorities to develop ways to move this project forward. Upon his false arrest by order of the Corporate State of Wisconsin – Department of Revenue and after the tragic and mysterious death of his Chinese partner His Excellency Kok Howe Kwong (KOKSIN DYNASTY), the rail planned were put off and the money planned for the project was converted unlawfully. The project was hijacked by corrupt Politicians, Puppet Masters and financial organizations. The Chinese continues to work with New Republic Rail. The project is destined to move forward as Lee's monetary funds are released as ordered by a U.S. District Court Judge. The project during the construction phase will generate an estimated 2 million job opportunities and many more once operational.
